Sheepscot Valley Health Center to Hold Student Supplies Drive

Coopers Mills – Sheepscot Valley Health Center is holding a student supplies drive from August 5th through August 17th.

Patients coming in for well child checks at the health center will be welcome to select from available donated school supplies. The staff of Sheepscot Valley Health Center recognizes that not all local students have access to the tools they need to succeed at school. Their goal is to help as many local students as possible.

Some examples of school supplies that would be helpful include: No. 2 pencils, colored pencils, pink rectangular erasers, glue sticks, and lunch bags or boxes. Other sorts of student supplies are welcome.

The event is being held in celebration of National Health Center Week, which runs from August 12th - 18th. This year's theme for National Health Center Week is "Celebrating America's Health Centers: Home of America's Healthcare Heroes." One of the bright spots in America's health care system, Community Health Centers serve more than 27 million Americans, a number that continues to grow along with the demand for affordable primary care.

For questions or to make an appointment, call Sheepscot Valley Health Center at 207.549.7581. Sheepscot Valley Health Center is located at 47 Main Street, Coopers Mills, ME.
